Summary:

You have the popular kids and the school freaks.

I am a freak

Mike Wheeler, Max Mayfield, and Lucas Sinclair were all somehow popular. They could have anyone they wanted except for the people they actually wanted.

Mike was walking into school when he seen one of his friends bullying someone. “Is the fairy gonna cry” Troy asked. “Troy leave him alone” Mike told Troy. Troy rolled his eyes and walked but not before shoving the short or boy into the lockers making him drop all his stuff. “Let me help” Mike told the boy.

The boy looked up at him with this worried and shocked face. “Don’t worry about Troy he’s an asshole” Mike told the shorter boy. “Thanks Mike” The boy told him. “You’re welcome and your name is” Mike asked. “Oh it’s uhh Will” The boy replied. Mike nodded and walked away.

“Max I’m telling you he was so cute” Mike ranted to Max. “Looks like someone’s in love” Lucas said joking. “Maybe he has a nice friend that’s lesbian” Max told Mike. “Hey guys” Troy said and sat next to them. “Troy why are you sitting with us” Max asked. “Just wanna sit with my best friends” Troy replied. “No James is your best friend you are just Mikes sisters ex boyfriends brother” Lucas said.

Troy scoffed and walked away. “You didn’t get the boys number” Max asked Mike. “No just one conversation was enough” Mike said. “Well I gotta get to class see you nerds at the arcade” Max said leaving. “She starting to sound like Erica” Lucas told Mike. I hey had their conversation until Lunch was over.

Will Byers, Eleanor or El Hopper, and Dustin Henderson were all the school freaks.

“I ran into Mike Wheeler this morning” Will said sitting next to Dustin and El. “Did he shove you and call you names” El questioned. “No he actually called Troy an asshole and help me” Will replied. “That’s good” Dustin said. El turned her attention to Max Mayfield skating in the school parking lot.

“Hey you could have a conversation then stare” Max said. “Oh I’m sorry” El replied looking away. Max walked up to her and grabbed her hand. “I said a conversation not you looking away” Max said. El smiled at her. “So what’s your name” Max asked. “Oh my name is Eleanor and Eleven but you can call me El” El replied.

“Well El are those your friends over there” Max said pointing to Will and Dustin. “Yeah they are” El replied. “How about you and your friends sit with me and mine tomorrow at lunch” Max suggested. El nodded and headed back to her friends. “Max Mayfield asked us to sit with her and her friends tomorrow at lunch” El told her friends.

They all jumped in excitement this was gonna be fun right.
